The Superior School of Music and Performing Arts (ESMAE), part of the Porto's Polytechnic Institute (IPP), the largest in Portugal, was created (1994) after the Superior School of Music with the aim to widen the superior education to other artistic fields, beyond music.

**presentation**

# presentation

A woman with blonde hair, wearing a black dress, is playing a cello on a stage. The background is dark with vertical light beams.

departments

## MUSIC

instrument, voice,  
composition, early  
music, jazz,  
production and  
music technologies;

## THEATRE

drama, stage  
direction,  
scenography,  
costume design,  
light and sound;

# presentation

A dark, atmospheric photograph of a person in a white sheet on a gurney in a hallway, with two people sitting on a bench in the foreground. The scene is dimly lit, with a spotlight effect on the person on the gurney and the two people sitting on the bench. The overall mood is somber and mysterious.

ESMAE has got around 800 students and 130 teachers

Produces nearly 300 artistic events per year

The institution formed already more than 1000 artists

# courses' structure

1st cycle (bachelor)
